

# You Are My Friend

Key C; Beat 4

Words and Music by Jim Hronchek

## Verse 1:

**C** **F** **C**  
In this world of constant change, moving to and fro  
**C** **F** **G** **Gsus** **G**  
Faces come and faces go - who knows when they'll show  
**C** **F** **C**  
Doing things together, but sometimes we're far apart  
**C** **F** **G** **Gsus** **G**  
Still we keep in touch - we've borrowed part of each's heart  
**F** **C**  
Sometimes it seems like ages till I see you once again  
**D** **D7** **G**  
But in between time there's a feeling that won't end.

## Chorus:

**F** **C**  
You are my friend, in love we have been bound  
**G** **G7** **C** **C7**  
You're more important than any other crowd  
**F** **C**  
Of greater value than all that I desire  
**G** **C** **CM7** **Am** **G**  
I love you dearly. You are my friend.

## Verse 2:

**C** **F** **C**  
Thanks for standing by me when I couldn't stand alone  
**C** **F** **G** **Gsus** **G**  
Your strength was what I needed to keep me on the road  
**C** **F** **C**  
There were times I looked for cheer, companionship and love  
**C** **F** **G** **Gsus** **G**  
And there you were, a smile, a hand- soon my need was gone  
**F** **C**  
You didn't want a thanks but gratitude was in my eyes  
**D** **D7** **G**  
I'll tell you in the way I know the reason why.

## Chorus
